BRIDGESTONE

# VREP E-4

## V-STEEL ROCK E-PREMIUM RADIAL

**Bridgestone's finest heavy-duty tires just got better. The V-STEEL PREMIUM radial tire, specially designed for 100 Ton class earthmovers, minimizes internal friction and heat generation over a longer lifetime in heavy-duty mining operations.**

### SPECIALIZED FEATURES

- **Low heat generation**
- **Exceptional tread life**
- **Unique 2-stage lug design for stability**
